Office of the Government Architect
in Mysore, Bangalore
Dated, the March 1946

5679/5680/1 Re SHANKER TALKIES AT HARIHAR

The opinion of the Government Architect on para 74 supra are as follows -

1) The plan in the file has been approved by the Dewan on 13-5-1941 after approved by Government Architect on 1-5-41

2) The plan in the file is a copy of the original approved plan

3) The spot on which the present Shanker Talkies stand is best suited for a Bus-stand.

4) The spot is not suitable for a permanent theatre as it is abutting the Bangalore Dharwar Trunk Road Cinemas and other structures attracting large crowds should not be built on main trunk roads

The present temporary theatre building (Shankar Talkies) is in a delapidated condition and forms a danger to public safety Early action to remove the temporary structure is necessary, whatever the ultimate decision of Government about the Bus stand may be

If the owner of the Shankar Talkies is in a position to build a new Theatre, some concession may perhaps be shown to him in the allotment of the site earmarked for a Cinema Theatre in sanctioned plan of the Harihar Industrial suburb which is situated near the Railway station

85) In view of the opinion furnished by the Govt Architect in Mysore as at para 79 supra in regard to the disposal of certain land in the Musafirkhana extension at Hanhar for the construction of a cinema by Sri Mahalingappa the whole case is summed up as follows:-

86) In G.O. dt 19/1/45, sanction was accorded for the acquisition of certain municipal nos ie from 1 to 44 in Hanhar Town for the formation of an extension called the "Musafirkhana extension" according to a plan approved by the Dewan and the Govt Architect ~~and for the distribution of sites accordingly~~

87) Ml Nos 2, 3, 30, 43 and 44 on which the Shankar Talkies stands at present belong to Sri Mahalingappa, the proprietor of the said Talkies he wd el propose to acquire these ~~s. nos~~ ml nos also according to the approved plan, ~~and~~ as they did interfect of other ml nos in order to

Serial No

convert the spot covered by these hut ws into a park and a bus stand, as originally planned out

88) Mr Mahalingappa protests against the proposal on the ground that he constructed a permanent building for a cinema after obtaining necessary permission from the Mlty. It is reported by the petitioner that the total area covered by his theatre is, 1,666 yds in all out of this, 787 yds are said to belong to him and the rest to the Mlty and, it is said, that he has been paying a ground rent of Rs 40/- pm for having occupied the municipal land in this area

89) It is seen from the report of the D C and that of the President of the Mlty, the owners of the sites (as per old layout) had executed an agreement surrendering their sites to the Mlty pending the grant of fresh sites in the area in exchange according to the new layout approved by the Dewan and the Govt Architect. After the execution of this agreement, the Mlty have, at their meeting held on 31-3-1943 passed a resolution

NOTE—Contn Sheet

permitting Sri Rahalungappa to erect a temporary shed on the land which formerly belonged to him, subject to the condition that the shed should be removed whenever desired by the Mul Cl.

90) Subsequently, the Mul Cl. passed a resolution on 31-7-44 cancelling the lease for the reason that the site was required for a municipal purpose ~~though~~ × 2

91) In the meanwhile, regular acquisition proceedings were taken up ~~and~~ to acquire old sites and the acquisition of these properties was sanctioned in GO 8, 19-1-49 (f Gy N) the Land Acquisition Officer, it is reported, passed an award in all the cases acquiring old sites and granting in lieu sites in the new layout except in the case of ~~Sri Rahalingappa~~ Mul. Nos 2, 3, 30 and 43 and 44 on which the Shankar Talkies stands in view of the orders of the D C to defer the question to a later date in this particular case.

92) In view of the agreement executed by the owner surrendering his proprietary right over this land in the old

Serial No

layout pending the grant of new sites according to the new plan. and in view of the fact that the petitioner had accepted the lease made by the Govt for erecting a temporary shed on certain conditions as at far as 89 & 90 supra, it is a matter for consideration whether the ownership of the said land rested in the Govt or in the petitioner from that date onwards pending the passing of an order in this respect

93) In this connection, it is submitted that orders have been issued from the protection branch on 11-1-46 (f 9A) and on 21-2-46 (f 9Y) directing the removal of licence of the Shankar Talkies till such time as the land on which the building of the said Talkies is situated is acquired and taken possession of

94) The Govt Architect is not in favour of erecting a permanent building for a cinema purpose at the place He favours the proposal of the Govt to form a park and a bus stand, as per approved plan He, however, suggests that, if Mr Rahalungappa is in a

Regd. 18/3/86

101) This is a case which relates to the acquisition of some sites on which the present Shankar Talkies is situated. The proprietor was permitted to continue to run his stars with a view to provide entertainment to the military personnel stationed at Mari

the Proprietor agreed to vacate the site whenever called upon to do so without claiming any compensation. But now the question has become one of party politics in Mysore. One section wants the sites to be acquired & Shankar Talkies to be removed, to facilitate the formation of a Park & Bus Stand. The other section is agitating to see that the existing Cinema House continues.

10. The removal of Shankar Talkies is inevitable. The last order of the Extension has been approved by the Dewan. In dealing with this matter, the action taken by D.C has given room for a feeling that one of the parties is being favoured. In his letter dated 26.12.45, the DC reported that he would instruct the L.A.O to complete acquisition proceedings after final orders of Govt are passed on the representation of M/s Mahalingappa Proprietor of M/s Shankar Talkies

Serial No

63) In the meantime, he has refused to grant a license to the proprietor to run his Cinema shows and has licensed a Touring Talkie. On Govt issuing orders in the Protection B^r to give a license pending acq^n & taking possession of the premises; the District Magistrate issued a license for first a month & in the meantime the L.A.O has passed an award & cheques have been issued to the party that peaceable possession will be taken of the Sites. The action taken subsequent to DC's report dated 26.12.45 indicates that one of the parties is being hustled to vacate the Sites even though the matter is pending orders of Govt.

(iv) further that DC has given a license for the construction of a cinema theatre to one Mr Jamnada Rao in a separate locality and

NOTE—Contn Sheet

this is being objected to by some residents of Harihar notably the Muslims.

(5) There is no doubt that like any other place, Harihar also would need a Cinema house. Mr Mahalingappa may be given time for six months to shift his Cinema house to a different locality to be suggested by the Govt architect. He has invested some money and entered into contracts with some film distributors, and immediate orders for taking possession would upset his contractual obligations. On grounds of Equity, this relief appears necessary. The formation of a bus stand and a park may be taken up after six months as part of the programme of forming the new Extension. By temporarily accomodating Mr Mahalingappa for six months, there would be no inconvenience to any party

107) This is a typical case of how influence and vested interest can hold up and render ineffective the combine decision of the local authorities and the Government The revised layout for the Musafirkhana site, as prepared by the Government Architect, was approved by the Dewan as far back as 1941 The Municipality is stated to have got possesion of the sites in 1943, and the site on which the cinema shed stands was leased by the Municipality on a purely temporary basis to the present proprietor on condition that he should remove the shed at a week's notice without claiming any compensation The Municipality resolved in July 1944 to cancel the lease and to proceed with the execution of the approved layout (bus stand and park) over the site For some reason or other it was decided formally to acquire the site, and the acquisition was sanctioned by Government in January 1945 and has since been completed

not suited for permanent theatre He has added that the temporary theatre building is in a dilapidated state and should be immediately removed, in the interests of public safety

When the Municipal Council and the Deputy Commissioner were trying to give effect to the decisions of Government, there arose a spate of petitions and letters rising to a crescendo of telegrams and appeals, direct and indirect, to Government, in which a good deal of mud has been slung Apart from allegations against the Municipality, the impartiality of the Deputy Commissioner himself has been questioned and one of the parties has not hesitated to question the impartiality even of the Secretariat

It is the delay in executing the approved plan that has given rise to all this unsavoury controversy and it is clear that the sooner the decisions taken are given effect to the safer it will be for the reputations of all concerned In view of the admittedly temporary nature of the building as well as the licence and the clear undertaking given by the lessee, there is no case for allowing the building to continue on the site any longer The lessee has already gained much more time than he would normally have got and he cannot be permitted to continue to obstruct the local authorities in giving effect to the plans and improvements approved by the Municipality and the Government

The Deputy Commissioner may be asked to take action to have the building removed immediately and the approved layouts proceeded with expeditiously

(126) The residents of Harihar state that they are extremely glad to learn about the promise made to the Harihar Municipality to hand over the military water works for the use of the citizens of Harihar

(127) They state that the Harihar Municipality is a poor municipality and that much of its administration and constructive programme is being hampered by the internal quarrels between the members of the Municipal Council

(128) They desire to bring to the notice of Government that sufficient funds could be raised for purchasing the military water works, if the sites laid out on the plan of the present bus stand are sold and that with that money the municip lity could take up other works like the construction of a High School, etc

(129) They are of opinion that the construction of a bus stand on the site chosen for the purpose by the side of the Railway Station is convenient from all points of view

(130) They also state that many of the citizens are prepared to subscribe liberally towards the cost of the construction of the new bus stand

From:-

The Rate Payers,
Harihar Town,
Harihar

Respected Sir,

We, the residents of Harihar Town humbly beg to make the following representations:-

1 We in Harihar Town are suffering for want of a bus-stand and a Municipal Park

2 After prolong discussions, the Government Architect has proposed in the present re-organisation of the Town Plan to a Bus Stand and a Municipal Park in the Musafirkhana Extension in which the temporary cinema SHANKER TALKIES IS SITUATED

3 As long back as on 31-7-44, the Harihar Town Municipal Council on petition presented by the citizens of Harihar to the Government and other local authorities, resolved cancelling the licence given to the Shanker Talkies for running their Touring Talkies temporarily on a ground which has been specially reserved for the Bus-Stand and Municipal Park Since the town has considerably increased in population and in prominance, the need for the Bus-Stand and a Park is keenly felt.

4. In this behalf a number of representations have been sent by the individual citizens and other responsible officers to the Deputy Commissioner and the Government and nothing has come out of this And the people in the locality are going without this primary amenity

5 We, therefore, earnestly pray that the place be got vacated without further delay failing which the citizens of this locality after waiting for a period of two months from the receipt of this notice to you will file a suit in the Civil Courts for declaration of the public right to that place

Yours faithfully,

Harihar

Respected Sir,

Subject. Acquisition of his land where he has constructed a Cinema Theatre for purposes of bus stand.

The petitioner abovenamed most respectfully begs to state as follows :-

1. The Government in their Notification NO. L. 7252/M1. 18-44-7 published in Mysore - Gazette dated 8.2.1945 proposed to acquire 5 sites bearing Municipal Nos. 2, 3, 30, 43 and 44 belonging to the petitioner for purposes of allotment of building sites in what is called Musafir khana extension of Harihar town.

2 While drawing the plan for the proposed new extension (Musafirkhana extension)the space covered by the old Municipal numbers,2,3,4, 30 on which the petitioner has constructed a Cinema Theatre and has been running the same has been shown as reserved for a bus stand.

The Municipal Council has been moving the Sub Division Officer (who is also the Land Acquisition Officer for the demolition of the Cinema Theatre and convert the same into a bus stand.

3. The petitioner has been submitting all along that due to differences among the Municipal Councillors, he has been exposed to the risk of demolishing a Cinema Theatre for the sake of a proposed bus stand. The petitioner respectfully submits the place is most unsuited for a bus stand and there are any number of vacant sites which are in close proximity to the Railway station and places of business and other rest houses where passengers can have all their conveniences and to acquire a running cinema Theatre is not reasonable and the petitioner would be put to enormous loss besides his business will be ruined beyond recovery. The following facts and the plan herewith enclosed will bear out the petitioners view point.

4) That the President, Municipal Council, Harihar permitted the petitioner in accordance with the resolution passed by the Municipal Council in their meeting held on 31st March 1943 to construct a Cinema Theatre at Harihar and the petitioner, after obtaining the license from the Municipality on 17-10-1943 has constructed the Cinema

Theatre as per the approved plan and in strict adherence to the Rules, Cinematograph Act investing about Rs 30,000/- on the Theatre. The Theatre has been styled as " Shankar Talkies. The Deputy Commissioner, Chittal droog district, C hitaldrug, has accorded - necessary approval to the construction of the above theatre in his Office Memo, J1.C.L.3/ 1942-43 dated 9th March 1943. The benign Government in their order No. P. 8511 dated 18-5-1943 have also approved the construction of the above theatre in the proposed Musafir khana extension of Harihar town.

5) The petitioner constructed the above Theatre in pursuance of the above instructions by using noninflammable materials as per rules The flooring is done by spreading Cuddapah slabs, Cabin room and generating room is constructed with burnt brick and morter and the roofing of the theatre is covered by zinc sheets with iron tresses and the side walls with zinc sheets with iron poles fitting, so much so all the materials utilised for the construction is perfectly non-inflam- -mable.

6) The above threatre stands in the new proposed Mussafirkhan extension of Harihar town. The total extent of area covered by the above Theatre is 1666 yards in all. Out of this area 787 yards belong to the petitioner on account of his three sites, Ml. N o. 2,3, and 30 held by him on which a portion of his above threatre stands and the rest of the site belongs to the Municipality and the petitioner has been paying Rs 40/- montly as ground rent for having

utilised this bit of land of the Municipality.

7) That the petitioner owns two more sites in that locality (the new proposed exten sion) the area of which is 2811 yards and the President Town Municipal Council,has now proposed to acquire them all for ~~new~~ the proposed extension. If the 3 sites Ml. No. 2, 3, and 30 on which the petitioner 's threatre stands and two more sites Ml. No 43 and 44 as described above are to be acquired by the Municipality for distribu tion of sites in the proposed Musafirkhan extension of Harihar town the petitioner will be put to irreparable loss. According to the provisions contained in G.O. NO.L. 5440 -50/ V.A.2 -34 -2 dated 7-2-1935 the owners of the plots in the old site will be entitled to the plots approximately ~~as~~ equal in area in the new extesnion free of ~~upset price~~ cost in exchange and the petitioner is entitled to be given an extent of 3590 yards in all

8) That the area on which the theatre stands in in the middle of the Town and is easily accessible to the citizen who want to enjoy the Cinema shows and the area is unfit for the formation of the bus stand since the road running just in front of it is a main road for the passage of the Military traffic to the A. B. C. Military groups. It is unsafe to locate a bus stand here.

The bit of land situated behind the Railway station is most convenient for the formation of a bus stand, since all the buses to Harihar pass by this road alone Passengers can very easily alight here and go by train, ~~elsewhere~~ to all the places. The platform Hotel can easly attend to the cateering of the needs of these passengers at all times.

That the petitioner is a law abiding citizen of Harihar town and he has donated a sum of Rs 5000/- for the construction of Veterinrary Hospital at Harihar and has also donated a sum of Rs 1500/- for " Asakta Poshaka sangha

That the petitioner has also prayed in his previous petitions to the Minister for public Health in Mysore, Bangalore, and the Deputy Commissioner, Chitaldrug District for the grant of the site - covered by his theatre in the new proposed Musafirkhan extension of Harihar town to his above theatre " Shankara Talkies ".

Further his Cinema license in respect of the above Theatre has also been renewed for a further period up to the end of 17th December, 1945.

In these circumstances, the humble petitioner prays that the extent of ~~the yards of land~~ the land covered by his above threatre in the proposed Musafirkhana extension of Harihar town

may kindly be ~~granted to~~ allowed to be retained by him with a view to avoid the petitioner from sustaining a heavy loss.

For which act of kindness, the petitioner will remain ever grateful to you, Sir.

I beg to remain,

Sir,

With reference to your Memo No.P.4239 dated 21st December 1945 forwarding a copy of the telegram xxx of 15th December 1945 from Hosmath Shambhulingiah and public, Harihar, regarding the renewal of the cinema license to the Shankar Talkies, I have the honour to state that none of the Kirloskar Factory people has -- approached me to renew the license nor is there any representation from the public or the Military in respect of the same. The application of the Proprietor of the Shankar Talkies to renew the cinema license was rejected by me as the land on which the temporary theatre of the Shankar Talkies stands is required for the formation of a Bus Stand and park as per approved plan. A copy of my detailed report No.A6.1955/44-45 dated 25th December 1945 addressed to the Secretary to Government, Revenue Department, Bangalore is also - enclosed herewith for favour of perusal and issue of early orders in the matter.

Sir,

Subject, The Shankar Talkies cinema
Theatre in Harihar town
=======

With reference to your letter No L 4041 dated 22nd November 1945 forwarding, for report, a copy of petition received from certain residents of Harihar town, protesting against the situation of the Shankar Talkies in the Musafir hana Extension, and your letter No L 4541 dated 1st December 1945 forwarding, for report, the petition dated 29th October 1945, received from Mr I Mahalingappa, proprietor of the Shankar Talkies, Harihar, praying for reasons stated, that S Nos 2,3,4 and 30, on which he has put up a Zinc-sheet shed may not be allowed to be acquired as he has invested Rs 30,000/ for the construction of the theatre, and that the Bus Stand and the Park may be formed elsewhere near the Railway Station etc, I have the honour to state as follows,

2. The sites near the Musafirkhana were disposed of in the year 1916 and 1917 as per an old layout plan Subsequently in the year 1941, in accordance with the kind instructions of the Dewan, this plan was revised by the Sanitary Engineer, and the sites were aligned along the Bangalore-Dharwar Road, and the owners of the sites purchased before, entered into an agreement on 14-10-1943 surrendering their sites to the Municipality and consenting to take up fresh sites to be granted to them as per the new layout approved by the Dewan. The acquisition of the old sites was accordingly approved by Government in their order No L 7248-51/M1 18-44-6 dated 19-1-1945 for the formation of a new extension known as the Musafirkhana extension at the place The acquisition Officer passed award acquiring the old sites and granting new sites to the expropriated owners as per the new layout

plan in all cases excepting those of sites Nos 2,3,30, 43 and 44 where the present Shankar Talkies theatre stood and the acquisition of these sites was deferred as per instructions from this office

2 The Municipal Council, Harihar, at its meeting held on 31-3-1943 leased out the above sites viz , 2,3,30,43 and 44 to the Shankar Talkies subject to the condition that the shed to be put up there should be removed whenever so desired by the Municipality within a week's notice thereof and that no compensation could be claimed by him At a subsequent meeting on 31-7-1944, the same council cancelled the above lease as the sites were required for the formation of the Bus Stand and the Park as per the new layout plan approved by the Dewan

3 Temporary licenses to exhibit cinema shows were being granted by my predecessor to the Talkies month by month About January 1945, at the instance of the Military Camp stationed at Harihar that this talkies was the only recreation for their men and it may be permitted to exhibit its shows as long as the military remained at Harihar, a reference was made to Government in this office letter No J1 C1 3/43-44 dated 14-4-1944 to permit the running of this cinema as a special case until such time as the Military left the place The Secretary to Government in his letter No P 4008 dated 24-11-1944 conveyed the approval of Government and accordingly Mr Mahalingappa, the proprietor of the Shankar Talkies was permitted, in this office No J1 C1 2/44-45 dated 26-1-1945 to exhibit his shows for a period of 11 months from 18-1-1945 to 17-12-1945 by my predecessor On or about the 14th or 15th instant Mr Mahalingappa again applied to me for the renewal of the license on the plea that he had invested a very heavy sum of Rs 30,000/ on the structure and he would be put to great loss if the license was not granted to him As the sites were immediately required for the formation of the Bus stand and the park, and the acquisition proceedings which had been suspended

for nearly a year had to be pushed through, and as the major portion of the Military had also left Harihar, the petitioner's application for the renewal of the license was rejected by me No representations have been made to me so far by the public of Harihar or the Kirloskar Company or the Military as alleged in the telegram to the Chief Secretary for renewal of the license of the petitioner If he has put up a costly structure knowing full well that he was only in temporary occupation of the land as a mere lessee, and he would be rejected at any time when the land was required by the unicipality, he must thank himself for it His objections are wholly untenable

4 As regards the representation of Mr M Mahalingappa that the Bus Stand and the park might be formed behind the Railway Station and there is no need to acquire these sites, the Municipal Council at its meeting held on 29-7-1945 has resolved that it is not in favour of changing the approved plan The petitioner cannot be heard to say that the Bus Stand and the Park might be put up elsewhere That stage is past, and the Government has applied its mind to the question, and passed final orders for the acquisition of these sites and the formation of a new extension in the town Accordingly the Government Architect has given a plan and it has been approved by Government and there is no place in this extension for another Cinema theatre There is therefore no question of any reopening this case The representation in short is tantamount to a request for withdrawal of the acquisition proceedings

5 In the foregoing circumstances, I am of opinion that the prayer of the petitioner Mr Mahalingappa is not deserving of any consideration The Land Acquisition Officer will be instructed to complete the acquisition proceedings as soon as final orders of Government are passed in the matter

6 The petition dated 29-10-1945 of Mr M Mahalingappa and the following references are enclosed for favour of reference

O.PULLA REDDY, Esquire., M.A.,I.C.S.,
Minister for Revenue to the Government of
His Highness The Maharaja Of Mysore,
BANGALORE.

Respected Sir,

We, the residents of Harihar Town, most humbly beg to bring the following few lines to your kind consideration and early favourable orders.

We find, that no such thing as inconvenience or disturbance to the neighbourers or to the residents by granting the license to the theatre of Mr-R.T.Govinda Rao, near Maruthi Temple, and also run down SRI SHANKAR TALKIES permanently at the present site itself, alloting a special land for the formation of Bus-Stand and a Park since the present selected sites is very inconvenient for the Park and Bus-Stand, as the proposal was drawn in 1939 by the then Dewan Of Mysore. As the town is in the prosporous condition, the same spot has already become the heart of the town; and a commercial marketing centre.

The president received an application from some of the members of the Council regarding urgency of Park and Bus-Stand and dismantling Shankar Talkies This subject has placed in agenda for forth coming meeting on 31st instant.

The acquisition of the land where now SHANKAR TALKIES stands has not yet taken place. The president and the Council have no legal authorities to interfere with the question of dismantling SHANKAR TALKIES as it has not been legally handed over to the Municipality by the acquisition officer

The newly come President has exred in including the illX-legal subject in the azenda by the instigation of fast, private and friendly members of the Council (Cinema Party) not studying the critical situation of the Town and charactor of the members. If the local officers were to show such partialities, we residents fear that great disaster may happen in future. Pray justice impartially.

We once again pray that the site for Bus Stand and Park for this Town may be given other than the sites of SHANKAR TALKIES and Mr.R.T.Govinda Rao's theatre, by which we hope that everthing goes on well and smoothly.

Harihar.

Respected Sir,

We, the RATE-PAYERS of Harihar Town, beg to submit this our application for kind consideration and favourable early orders

The land selected for the bus-stand and Municipal Park forms the heart of the town from the point of view of the flourshing condition of the Town, a proposal of the year 1939 may not be carried out at present The land now proposed for the Bus-Stand and Park is in greater demand than any other part of the Town By disposing the excluding land of Shankar Talkies, the Municipality is benifitedd to an extent of thousands

From the point of view of the existing grudge and the enmity, the subject brought in the agenda of the 31st ultimo, the residents are in no way willing to sustaind loss for the Municipality The above question has raised and has become so serious as the majority of partners of Jnyaneswar Talkies are municipal members say three out of four It effects triffling for, we the RATE-PAYERS impartially judge and give our opinion that Municipality is in no way beniffitted if the land so commercial and valuable is alloted for here bus-stand and Park Ours is a poor Municipality We must find some source for improving our funds

So our sincere opinion is to prefer old Bharmapuri for a Bus-stand and Park which is situated nearby provincial gate-way of Harihar Town near the bank of Thungabhadra River The proposed Park and the Bus-stand may look neat and decent for the Town and also to

also to visitors

We regret to see that our worthy Council members are elected by our votes considered to struggle out for mass cause or on behalf of the Town are only struggling for individual cause in many respects For e.g. Vice-President has two flour mills, drainage and Sanitation only before the members' Quarters and sites In other places slumps, mud-drains, drains across the roads etc

A Member of the Municipal Council is going to offer s 5000/- for construction of Bus-stand and Park. The Government may do well to collect the same and deposit the amount for the Municipal Funds and may be utilised additionally for the purpose in the above site of Bhar ma-Puri, as per the Rate-Payers' prayer The License has been granted with il-legal procedure to Gayaneswar Tg-Talkies, as a resolution has been drawn dated 1-6-43, ne exclusively reserved for Municipal purposes

There is urgent need of a water-works and Tank for this Municipality There is an offer of water-works and tank of Military, for which funds may be collected by disposing the said valuable land and the same may be utilised or adjusted for purchasing the same avoiding loans for the poor Municipality

So, pray Government to judge our impartial and reasonable prayer complied with setting free from the clutches of partial and party feeling and selfish Municipal members For which act of graciousness, we shall all remain grateful to your kindself

The enclosed petition to His Highness the Maharaja, of which particulars are given below, is forwarded with compliments for favour of disposal

To

The Chief Secretary to the Government
of H H the Maharaja of Mysore

From the Municipal Councillors, Harihar Town, regarding the layout of the Musafirkahna Extension and the formation of a park with a bus stand

CHIEF SEC 1 FEB 1946 13 GOVT OF MYSORE

By Order

For *Private Secretary*
to H H the Maharaja of Mysore

The private secretary
to His Highness the Maharaj of Mysore,
MYSORE.

Memorandum submitted by the undersigned, Municipal Councillors, Harihar town, Harihar.

Subject:- Layout of Musafirkhana extension and the formation of a park with a Bus-stand

In or about 1917 a layout was formed with the sole intention of disposal of sites for dwelling houses, building of cottages , and Bungalows. The sites were purchased bya number of residents of the town and they were in their possession and enjoyment for a number of years and taxes were also paid to the Municipality

In 1940 the Dewan of Mysore, paid a visit to Harihar town and during his inspection especially the layout which was known as Musafirkhana extension he suggested to the residents , that in view of the fact Harihar town being the boundary of the Mysore State for the visitors from out side, the trunkroad which is called The Bangalore- Poona Imperial Road, while touching Harihar town should present a decent view ~~as the fact~~ and for that reason there should be a circle in front of the Town-Hall which joins the central place and junction of the other roads starting from Harihar town, therefore advised that it is necessary and essential to form a park on one side of the road and locate a Bus-stand to create amenities and conveniences not merely for the people of the town, but also for the travelling public.

The residents of Harihar town readily agreed to thee proposal and the matter was referred to the Town planning Committee In 1941, the entire plan of the layout was altered with suitable provision to the Park near about the Hospital Area and for a Bus-stand the modified plan of the layout was approved by the Government in 1941 alone

In 1943, the residents of Harihar town offered to give possession of their sites for the immediate formation of the Park and the construction of the

the bus-stand. The municipality took possession of the same. As there were some other lands to acquired and to complete the title of the sites surrendered by the residents of Warihar. Formal acquisition proceedings were started, the proceedings however not yet completed for some reason or other.

In view of the lieu delivered by the residents of Warihar town the municipality proposed to give other sites which proposal was duly accepted. In effect the sites that were necessary for the park and the bus-stand formed an exchange than regular acquisition and the transaction was completed. The municipality was actually put in possession of the sites so proposed in 1943.

Since the acqusition of some lands not with in the municipal area was likely to occupy some time. The municipality thought it fit to earn some income temporarily leasing out the properties that were actually delivered possession of by the residents.

In 1943, they began to lease out some plots temporarily and one such plot was leased to one Mahalingappa on a ground rent of Rs. 40/- per month. The condition of the grant is that the property should be given vacant possession to the municipality within a week after the notice is served in that behalf

The said Mahalingappa constructed a temporary zinc sheet shed for the purpose of exhibiting cinema pictures under the name and title of Shanker Talkies which is a touring cinema wanted temporary accomodation and accordingly license is being renewed from year to year on a temporary basis

The Municipality desired to take up the construction of the bus-stand in the year 1944 and gave a notice to Mahalingappa to give up possession of the

of the property. The demands for vacating the property were repeatedly given in the year 1945 also and he put forth his defence that he should be permitted to continue as he held the show license till 17-12-45. The Municipality waited till then but instead of vacating the property he persisted in continuing The District Magistrate's ~~xxxxxx~~ who was apprised of the resolutions of the Municipality refused to renew the cinema license

Thereupon the said Mahalingappa appears to have approached the government and obtained the orders for the license to be continued till such time as the acquisition of the sites occupied by the cinema is actually finished and the land taken possession of . This order of the government appears to have been obtained on misrepresentation of facts The land is actually in the possession of the Municipality and it is leased out to him The acquisition proceedings need not for this purpose be completed even otherwise the acquisition was complete long agodelayed by the manupulation of the said Mr Mahalingappa

The authority of Municipality is defied on the ground that the cinema license is renewed and the power of the District Magistrate is also undermined by the action of the government is directing him to renew the license

It is necessary and essential that the prestige and the authority of the Municipal council and also the District Magistrate should be protected and preserved, and the due discharge of other duties should not be interfered with the construction of the Bus-stand and the Park are long-delayed and the ratepayers also are agitating for the completion of those things and have actually petitioned and notified to the Municipality of their desire and one Mr Bongale Subbanna, Ex R.

ex R A member of this town n as allready offered donation of 5000/- rs for this purpose.

In these circumstances, we humbly submit to you that the government sanction of the construction of the bus stand and the park may be given effect to immediately by withdrawing the orders, directing the renewalof the cinema license.

GOVT. OF MYSORE

Memorandum submitted by the undersigned, Municipal Councillors, Harihar town, Harihar.

Subject:- Layout of Musafirkhana extension and the formation of a park with a bus-stand.

In or about 1917 a layout was formed with the sole intention of disposal of sites for dwelling houses, building of cottages , and Bungalows. The sites were purchased by a number of residents of the town and they were in their possession and enjoyment for a number of years and taxes were also paid to the Municipality.

In 1940 the Dewan of Mysore, paid a visit to Harihar Town and during his inspection especially the layout which was known as Musafarkhana extension be suggested to the residents , that in view of the fact Harihar town being the boundary of the Mysore state for the visitors from out side, the trunkroad which is called the Bangalore- Poona imperial road while touching Harihar town should present a decent view ~~as the east~~ and for that reason there should be a circle in front of the Town-Hall which joins the central place and junction of the other roads starting from Harihar town, therefore advised that it is necessary and essential to form a park on one side of the road and locate a bus-stand to create amenities and conveniences not merely for the people of the town but also for the travelling public.

The residents of Harihar town readily agreed to the proposal and the matter was referred to the Town planning committee. In 1941, the entire plan of the layout was altered with suitable provision to the Park near about the Hospital Area and for a Bus-stand. The modified plan of the layout was approved by the Government in 1941 alone.

In 1943, the residents of Harihar Town offered to give possession of their sites for the immediate formation of the park and the construction of the

the bus-stand. The Municipality took possession of the same. As there were some other lands to be acquired and to complete the title of the sites surrendered by the residents of Harihar. Formal acquisition proceedings were started, the proceedings however not yet completed for some reason or other.

In view of the liew delivered by the residents of Harihar town the Municipality proposed to give other sites which proposal was duly accepted. In effect the sites that were necessary for the park and the bus-standformed an exchange than regular acquisition and the transaction was completed. The Municipality was actually put in possession of the sites so proposed in 1943.

Since the acqusition of some lands not with in the Municipal area was likely to occupy some time. The Municipality thought it fit to earn some income by temporarily leasing out the properties that were actually delivered possession of by the residents.

In 1943, they began to lease out some plotstem. porarily and one such plot was leased to one Mr. Mahalingappa on a ground rent of Rs. 40/- per month. The condition of the grant is that the property should be given vacent possession to the Municipality within a week after the notice is served in that behalf.

The said Mr. Mahalingappa constructed a temporary zincsheet shed for the purpose of exhibiting cinema pictures under the name and style of Shanker Talkieswhich is a touring cinema wanted temporary accomodation and accordingly license is being renewed from year to year on a temporary basis.

The Municipality desired to take up the construction of the bus-stand in the year 1944 and gave a notice to Mr. Mahalingappa to give up possession of the

of the property. The demands for vacating the property were repeatedly given in the year 1945 also and he put forth his defence that he should be permitted to continue as he held the show license till 17-12-45. The Municipality waited till then but instead of vacating the property he persisted in continuing The District Magistrate's who was apprised of the resolutions of the Municipality refused to renew the cinema license.

Thereupon the said Lahalingappa appears to have approached the government and obtained the orders for the license to be continued till such time as the acquisition of the sites occupied by the cinema is actually finished and the land taken possession of . This order of the government appears to have been obtained on misrepresentation of facts. The land is actually in the possession of the Municipality and it is leased out to him. The acquisition proceedings need not for this purpose be completed even otherwise the acquisition was complete long agodelayed by the manipulation of the said Mr. Lahalingappa.

The authority of Municipality is defied on the ground that the cinema license is renewed and the power of the District Magistrate is also undermined by the action of the government is directing him to renew the license.

It is necessary and essential that the prestige and the authority of the Municipal council and also the District Magistrate should be protected and preserved, and the due discharge of other duties should not be interfered with the construction of the Bus-stand and the Park are long delayed and the ratepayers also are agitating for th e completion of those thi-gs and have actually petitioned and notified to the Municipality of their desire and one Mr.Bongale Subbanna, EX M.A.

Ex R.A. member of this Town h as allready offered a donation of 5000/- Rs for this purpose.

In these circumstances, we humbly submit to you that the government sanction of the construction of the Bus stand and the park may be given effect to immediately by withdrawing the orders, directing the renewalof the cinema license.

The Shankar Talkies which is a Touring Cinema wanted temporary accommodation and accordingly license is being renewed from year to year on a temporary basis

The Municipality desired to take up the construction of the Bus Stand in the year 1944, and gave a notice to Mr. Mahaling Appa to give up possession of the property. The demands for vacating the property were repeatedly given in the year 1945 also and he put forth his defence that he should be permitted to continue as he held the Cinema licence till 17-12-1945. The Municipality waited till then, but instead of vacating the property, he persisted in continuing. This order of the Government appears to have been obtained on misrepresentation of facts. The land is actually in the possession of the Municipality and it is leased out to him. The acquisition proceedings need not for this purpose be completed, even otherwise the acquisition was complete long ago except the passing of the award which was expressly delayed by the manipulation of the said Mahaling Appa.

2. The Council has resolved that a park and a Bus-stand are very necessary for the town but the estimates and plans are nor ready and no funds are also set apart and that the necessary provision will be made for the same in the coming year's budget. The Council has accepted the donation of Rs 5,000/- by one Mr Bangale Subbanna, towards the construction of the Bus-stand and has resolved that an expenditure of Rs 5,000/- may be incurred for the formation of the park either out of the savings under the Public Works or the closing balance. It is reported that the donor Mr. Subbanna desires to name the Bus-stand after his parents "Seshappa Devoo Bayi Bangale".

The acquisition proceedings which were long pending were pushed through in the circumstances set-forth in detail in my letter No. A.C. 1955/44-45 dated 26th December 1945. The Award Order in respect of the properties in question which have bee

been acquired at the instance of the Municipality has already been passed by the Land Acquisition Officer and all the other formalities observed, and the only thing that is remaining over is the formal taking possession of the properties acquired, if need be by force, as it is apprehended that the party is likely to offer obstruction. I solicit definite instructions of - Government whether in the circumstances narrated above, the properties in question may be taken possession of or the - proprietor of the Shankar Talkies permitted to remain in - possession of the sites, and allowed to exhibit his cinema shows until such time as the Municipality will have its plans and estimates ready, and provides the necessary funds for the construction of the Bus-stand and the formation of the park. Early orders of Government may kindly be obtained and -- communicated.

Copy of the resolution of the Council passed at its meeting held on 10th March 1946 is enclosed for favour of - reference.

COURT FEE TWO RUPEES

7687

To

The Minister for Agriculture,

to the Government of His Highness the Maharaja

of Mysore, BANGALORE

Petitioner - Murkal Mahalingappa,
Proprietor, 'Sri Shankar Talkies'
Harihar

Respected Sir,

The Petitioner most respectfully begs to state as follows -

1 That the Government has been pleased to issue an endorsement No L 11208 dated 16/4/46 in reply to his petition dated 29/10/45 asking him to vacate the site on which the Cinema is situated forthwith in view of the very temporary nature of the permission granted to him for locating the same

2 The petitioner is respectfully urging before the Government that he does not lay any claim to the land nor is it his intention to go against the orders of the Government but to take a sympathetic view of his case, namely that the Harihar Municipality who want this bit of land to be acquired for purposes of converting into a Bus Stand has overlooked its obligation as by their resolutions No I of 12/11/42 VI of 25/2/43 and I of 2/10/43 to provide the petitioner a site equal in area to the one proposed to be acquired The real fact is that the whole bit of land on

on which the Cinema now stands does not belong to the Municipality 3/4 of the land belongs to the petitioner and only 1/4 belongs to the Municipality In exchange to this 3/4 of the petitioner's land the Municipality had resolved to given an equal extent in the Musafir Khana Extension but they have not done so On the other hand they have tried to harass me by hastening the acquisition proceedings of this entire land

(A)

3) The petitioner has ventured to recite the above details only with a view to bring to the kind notice of the Government how his just claims have been overlooked by the Municipality in not granting him land in exchange to the one they now propose to acquire This matter may kindly be enquired into

(A)

4) That in obedience to the endorsement served on him to vacate the site the petitioner respectfully submits that he would require at least some six months to shift the Cinema to some other suitable place and the Government would be generously pleased to grant him at least six months time to make arrangements to shift

5) In this connection, the petitioner submits that the Municipality has not so far submitted any plan or estimate or even the necessary funds have not been deposited to cover the acquisition amount and hence it takes some months before they do

6) This, the petitioner submits is an additional circumstance why he might be given the time prayed for by him

7) Under these circumstances, the petitioner once again prays that the Government would be pleased to reconsider their decision or in the alternative give him at least six months time to enable him to shift his Cinema building to a suitable place

PETITIONER - M Mahalingappa,
son of Shantaveerappa,
Proprietor, "Shankar Talkies", HARIHAR

Respected Sir,

1 The Petitioner abovenamed respectfully begs to submit that your goodself is already familiar with the subject matter, via "Shankar Talkies" which came up for consideration in connection with the renewal of the Annual Licenses, which you were goods enough to grant But to the great misfortune of this petitioner he could not reap the fruits of your just and equitable orders since the very land on which his Cinema house is constructed is ordered to be acquired

2 On the question of the desirability of acquiring a Cinema Theatre for purposes of using it for a Bus Stand and in a place like Harihar, where all arround the town there are acres and acres of vacant land, the petitioner gave several petitions to the Minister for agriculture and prayed that he may personally visit the place before passing the final orders But as ill luck would have, his prayer was not accepted

p t o ,

and the petitioner does not propose to trouble your goodself with the merits of this question

3 On the other hand the petitioner craves your indulgence to please interfere regarding the Endorsement No L 11203 dated 16/4/46 a true copy of which is herewith produced asking him to vacate the site forthwith, for the reasons and under the circumstances set forth below.

(1) That the Petitioner has constructed his theatre at a cost of Rs 30,000/-with fire proof material and with up-to-date Electric fittings etc . The ground area is completely covered with cement plastering and Kadapa Slabs

(2) After protracted correspondance, as could be seen from the records connected, with the then Minister for Revenue late Mr K V Anantharaman, was good enough to pass final orders declaring "Shankar Talkies" as a permanent cinema and granted Annual License to run the shows. Thereafter, this year when objections were raised by interested parties, your goodself also were kind enough to order renewal of Annual license but until such time till the cinema land is actually tak possession of by the Land Acquisition Officer But the petitioner most respectfully begs to submit that directions were not headed to but were honoured more in

more in the breach than in the observation

(3) The Petitioner very respectfully submits that it does not need much effort to convince your goodself that to pull down a pakka cinema theatre it takes at least six months time He has stopped exhibiting his shows as his license was not renewed by the Deputy Commissioner He has got a large number of people and some office staff working under him and the petitioner requires some time before he can settle their claims and help them to settle themselves in other walks of life Further he has to settle his contracts with Film Distrbutors which again means time In short he has to arrange for rehabilitation of a Cinema bisiness which was running for the last four years

(4) After all, the purpose for which this cinema site was acquired is not such a pressing one, i.e, formation of Bus Stand and postponement of this by a few months will not cause much inconvenience

(5) Further the Harihar Municipality has not till to-day deposited the amount required ~~for~~ of them nor plans for formation of this Bus Stand made It is all in the wishful stage

(6) The Petitioner most respectfully submits that it is just and proper that he must be given a

a reasonable time to shift his pakka built cinema house to another place and to settle up matters connected with its business management etc , The Government endorsement dated 16/4/40 directs him to vacate the site forthwith

(7) Under these circumstances, the Petitioner begs to approach your goodself to please peruse the records and all that the petitioner now prays for is grant of some reasonable time to pull down the theatre and shift to some other place

(8) The Petitioner prays that you would be pleased to grant him at least six months time to enable him to make his own arrangenents as otherwise he will be put to enormous loss and trouble which will ruin him beyond recovery.

Re Shankar Talkies, Harihar

The opinion of the Govt. Architect on para 74 supra are as follows -

1 The plan in the file has been approved by the Dewan on 13/5/41 after approvad by G A on 1/5/41

2 The plan in the file is a copy of the original approved plan

3 The spot on which the present Shankar Talkies stand is best suited for a Bus Stand

4 The spot is not suitable for a permanent theatre as it is abutting the Bangalore Dharwar trunks Road Cinemas and other structure attracting large crowds should not be built on main truck roads

The present temporary theatre building Shankar Talkies is in a delapidated condition and forms a danger to public safty Early action to remove the temporary structure is necessary, whatever the ultimate decission of Govt about the Bus Stand may be

If the owner of the Shanar Talkies is in a position to build a new theatre some concessions may perhaps be shown to him in the allotment of the site marked for a cinema theatre in sanctioned plan of the Harihar Industrrial Suburbwhich is situated near the Rly station
